The Weight Loss Program Comparison chart is for comparison purposes and general information only. It is based upon best available and known information. NutriMost makes no representations or warranties of any kind, express or implied, about the completeness, accuracy or reliability with respect to the information, products or services on this comparison chart. In all cases, the consumer is advised to evaluate and rely on their own judgment regarding any product or service for the specific users needs. Any reliance you place on such information is therefore strictly your own responsibility. **Life Style Change:** NutriMost programs involve low calories (~ 800 calories/day) and other dietary and lifestyle restrictions or modifications.
